

9/30/17 & 10/1/17 YAVAPAI-APACHE NATION CONSTRUCTION ACADEMY

Program Summary

The Yavapai-Apache Nation TERO Construction Academy prepares TERO participants to work road on construction projects on the Yavapai-Apache Nation Reservation and enter Carpentry, Heavy Equipment, Electrical and General Laborer Apprenticeship Programs. The program includes Flagger Certification, OSHA 10, NCCER Construction Math, and NCCER General Labor, NCCER Introduction to Power Tools, and Concrete-Cement- Masonry Training. In addition, participants receive supportive services including job readiness, tools, transportation assistance, and childcare assistance.
