A Special 'Thank You' from Don Decker, Writer for YAN Newsletter to Margie Campos:

Margie Campos, Public Relations assistant and correspondent is a very organized person who took on the complicated tasks of organizing the 5 days of Native American Week. Each day was carefully planned with activities involving families.

Ms. Campos organized the daily meals, activities and made sure the members of the Nation were invited each day to these events. More memorable is the family night with crafts and games on Wednesday night when over 80 arrived in the gym to make a cultural item.

The Friday's all-day event was very well planned by Ms. Campos as well. Thank you Ms. Campos for your energy and thoughtful activities you organized!

On behalf of the Irving family, we would like to thank you all for your kindness during this difficult time. We sincerely appreciate your expression of sympathy.

The support and comfort that was provided by the Yavapai Apache Nation was outstanding. We are forever thankful for the kindness that was provided to our family. We appreciated having you by our side during this difficult time in our lives. We would like to personally thank the administration office for being extremely helpful. They met our needs and beyond. Any questions we had were answered and taken care of right away. The tribal Cemetery Workers, Cliff Castle Hotel and Casino for providing us rooms and food. The staff exhibited an unwavering concern for us through this time in our lives. Also the Bueler's funeral home for taking care of our dear family member and being readily available 24 hours. We would also like to extend our appreciation to the families and tribal members that helped us along the way. Thank you for providing a meal to our family! We appreciate friends like you and are grateful to have you in our lives at this time of sorrow.

We would also like to give special thanks to our family and friends Roberta, Pastor David Rice, Donnie, Pastor Marcus Collins, church members from (All Tribes Assembly of God), the Veterans that came out and provided a military honors solute, musical professionals that played a tribute to our beloved family, pallbearers and clergy. We were comforted by your messages of hope and kindness. Also to all the family and friends that came out of town to say there good byes and show their support. You all where amazing and very comforting to us.

We don't know what we would have done without you. Thank you for the help and support you have bestowed upon us. Words cannot express our gratitude.

Sincerely, the Irving Family- In loving memory of Harvey M Irving
