

ELECTRICAL SAFETY

“Weenie Wagon”

Electricity keeps our lives running, and is something we are around on a daily basis. If not treated with caution and respect electricity can cause severe injuries. Whether you are at home, or out and about, it's important to keep electrical safety in mind. With this safety information, we hope to help raise awareness and knowledge to make everyday a safe day for you when working around electrical facilities.

Arizona Public Service will be presenting a class on Electrical Safety

When: Wednesday, May 29th, 9am-11am

Where: Tunlii Community Building

Who: Maintenance Employees, Law Enforcement and
anyone else that is interested

Registration is not necessary.
